## Welcome to the Eagle Eye (YES Prep Eisenhower Family Newsletter)

Eagle Family, we are off to an amazing start of the 19-20 school year. This is the Third edition of the Eagle Eye Memo, a biweekly newsletter with important information about upcoming events, dates, and deadlines.

## Parent Drop-Off & Pick-Up Procedures

To ensure the safety of students and to expedite the drop-off and pickup procedures, please ensure you are following the map below. Parents should only drop off students in the parking lot which is closest to Antoine Drive, and not the staff and visitor lot on Eagle Drive. If you have any questions or concerns regarding this policy, please contact the front office at 281.591.3780

## Late Drop-Off & Pick-Up Policy

For safety and security purposes, parents are required to sign their student into the YES Prep Front Office if students arrive after 7:45am. Daily instruction ends at 2:35pm. To avoid end of day interruptions, students will not be released after 2:00pm.

## Attendance

- Seven unexcused absences could result in loss of course credit.
- Absences and tardies will only be excused with a doctor's note. Parent excuse notes will be considered but are not automatically accepted as an official excuse letter.
- If students miss more than 45 minutes of ANY class, the student will be marked absent for that period.

## Schedule Changes

Schedule changes for the 2019-2020 school year have come to an end. All schedule change requests that were submitted by the cut-off date of Wednesday August 21<sup>st</sup> have been reviewed. ## Calculators

All students are required to have their own **TI-Nspire CX calculator**. **This ensures our students are successful in math, because...**

- Students must use a TI-Nspire on the STAAR test, AP tests, and on college entrance exams. (These calculators can also be used in college.)
- Our math courses have specific standards that directly require the use of graphing calculators.

The TI-Nspire CX graphing calculators are sold in retailers like Walmart, Office Depot, Staples, etc., and are generally around \$125. New and used TI-Nspire CX calculators can also be found on online sites such as Amazon.com and eBay.
